One of the most recognisable SIGHTS OF LIVERPOOL is the much-loved Mersey Ferry

Steeped in history and heritage and oozing charm and character, the ferry provides the ideal setting for your special event. From the decks of the ferry, you'll have the best view of Liverpool's stunning and iconic UNESCO heritage waterfront - one of the world's most famous riversides.

Our Mersey Ferries provide the perfect setting to make your event truly memorable. In 2015, one of our vessels the 'Snowdrop' also becomes a 'Dazzle Ship' designed by the world-famous artist Sir Peter Blake. This forms part of the WWI commemorations when the dazzling of ships was first introduced.

ANDY BALL BBC RADIO MERSEYSIDE

Charities supported by BBC Radio Merseyside have chartered ferries on many occasions. They generally sell out quickly and guarantee a good return for the organisation and take very little effort.

Passengers enjoy the events and are generous in the amount they contribute to the charity while on board.

The team at Mersey Ferries make it really easy to choose which itinerary would be best and on the day they always go the extra distance to ensure everyone has a wonderful time!

JAY GASKELL M D INSURANCE SERVICES BIRKENHEAD

We chose Mersey Ferries for our Company Team Day, and I would highly recommend this experience to other organised parties.

The ferry staff were a pleasure to deal with – ensuring that everything ran efficiently during the lead up and on the day itself.

The view of Liverpool from the river as the sun was setting was breath-taking, and once the sun had gone down we all had the chance to dance the night away on-board! Mersey Ferries organised delicious hot food, a DJ and a staffed bar – all of which led to brilliant experience for all our staff!
